

## Pin Tail On The Mermaid

### INSTRUCTIONS

We suggest you take this to your local print and copy shop to get it enlarged as this will make it easier for the party guests to pin.

Enlarge to fit on size A3 (Eur/UK/Aus) or Tabloid (US) or bigger if you prefer.

We recommend printing on a heavy weight card stock so mermaid tail is a little more sturdy when the party guests are pinning.

Cut out the mermaid tail on this page.

Attach blu-tack to the back of the heart.

Hang the Mermaid Poster on a wall that is roughly eye level to your little party guests.

Have the kids line up in single file and blindfold the first child.

Give them the mermaid tail and spin them around gently a few times.

Point the blindfolded child towards the poster and ask her to place the mermaid tail where she thinks the tail is.

Write her name where she placed the tail.

Once every party guest has had a turn, the child with the heart closest to the correct position wins.
